MOI Hosts Ultimate Emerging Leaders Networking Event II

On Wednesday, April 13th, MOI hosted the Ultimate Emerging Leaders Networking Event II in our DC showroom in partnership with many local industry organizations. This event was a “co-production” of the emerging and developing leader groups of IFMA, CoreNet, DCBIA, NAIOP NoVA and NAIOP MD/DC. Other event sponsors included: Charron Consulting, Chicago Title, IA Interior Architects, Kogod School of Business: American University, rand*construction, SKYFOLD, Turner Construction, and WB Engineers/Consultants. All proceeds were donated to Habitat for Humanity of Washington DC, in conjunction with the April 29th Build Day staffed by the participating organizations.

MOI Announces New Hires

MOI is pleased to announce two new hires that will further the firm’s strategic vision for 2011 and beyond.

We are pleased to welcome Betty Shepherd as Project Coordination Manager. She has extensive experience in management and customer service which will be a tremendous asset to MOI. Betty believes that paying attention to our clients from all levels of the organization will allow MOI to continue to build strong and lasting relationships and will be coashing towards that goal. She graduated from Central State University located in Wilberforce, Ohio where she obtained a dual degree in Business Administration and Business Education. This education coupled with working in a variety of industries has allowed Betty to have a positive impact in the organizations where she has worked. Throughout her career in business, Betty has received numerous awards and citations for her outstanding performance and commitment to community service.

Jason Dittrich has joined MOI as Proposal Manager. He brings to MOI extensive proposal writing and developing experience in response to solicitations from both the public and private sectors. Starting in 2005, he was Senior Proposal Developer for Maxim Healthcare Services, Inc. where he was responsible for creating and fine-tuning the proposal development process, and executing and communicating the process to the company’s 380-plus sale force. Prior to joining Maxim, Jason was Proposal Writer for Spectera, Inc., a division of UnitedHealth Group. In 2004, he earned his Bachelor of Arts Degree from Stevenson University (formerly Villa Julie College), and his Master of Liberal Arts Degree from Johns Hopkins University. Jason is currently pursuing his Ph.D.
