

## Opportunities for VOLUNTEERS!

**Are you looking to improve your organizational, communication and leadership skills and to deepen your engagement with IFMA and your FM peers? If your answer is yes, then we encourage you to consider volunteering for one of the Chapter's committees.**

We are recruiting volunteers who are excited about making a difference and committed to enhancing our industry. The Chesapeake Chapter has the following areas where you can match your interests, offer expertise and time, and have a positive impact on the Chapter and the FM profession. Please reach out to the following Chesapeake Chapter leaders for more information on volunteer opportunities:
