IFMA World WorkPlace

Twenty-one chapter members traveled to Charlotte for the IFMA conference, where they enjoyed the educational sessions, the expo and several parties! Former race car driver Kyle Petty delivered an inspirational key note address and shared the work that Petty Enterprises does at Victory Junction, the camp they run for kids with serious medical issues. Attendees enjoyed the welcome reception at the NASCAR Hall of Fame where they explored all of the

interactive exhibits. Members interacted with those from the Capital Chapter at their Happy Hour at Fahrenheit, and enjoyed the beautiful rooftop views, as well as a delicious buffet. René Carter moderated two classes, Susan Moury was a class presenter, and most chapter members attended the Appreciative Inquiry sessions, which IFMA Chesapeake was involved in putting together. Overall it was a very enjoyable and successful conference for those that attended. We hope to see more of you at next year's conference, October 16-18 in Phoenix!
